

Title VI Complaint Procedures

Blue Rivers Area Agency on Aging Transit Program

Any person who believes they have been discriminated against on the basis of race, color, or national origin by Blue Rivers Area on Aging Transit Program may file a complaint by completing and submitting the agency's Title VI Complaint Form. Title VI complaints of discrimination received by Blue Rivers Area Agency on Aging Transit Program will be directed to the Nebraska Department of Transportation (NDOT) Transit Section for review. NDOT will notify the Federal Transit Administration that a complaint has been received. The complainant will receive an acknowledgment letter informing her/him whether the complaint will be investigated. NDOT has 30 days to investigate the complaint. If more information is needed to resolve the case, the agency may contact the complainant to request additional information. The complainant has 15 days from the date of the letter to supply requested information to the investigator assigned to the case.

After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a letter of finding (LOF). A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. An LOF summarizes the allegations and interviews regarding the alleged incident and explains whether any disciplinary action, additional training of the staff member, or other action will occur. If the complainant wishes to appeal the decision, she/he has 30 days following the closure letter or LOF to do so.
